

Could You Use \$500?

TRIO/VEOP Scholarship Applications Now Being Accepted

What: Two scholarships – one for \$250 and one for \$500 – will be awarded to students participating in a TRIO/SSS program at a college in Vermont. Castleton offers one of seven SSS programs in the state, so if you write the best application at Castleton, **your chances are at least 1 in 7 that you will be a recipient.**

Who: Junior and senior TRIO students are encouraged to apply.

How: Write a 1 – 2 page essay describing how the Academic Support Center has helped you to achieve your academic goals and why you need this scholarship (finishing Castleton, attending graduate school, starting your career, etc.). How have the services offered here (tutoring, clinics, STP, academic counseling, etc.) benefited your education and your plans for after graduation? Consider including any obstacles (especially as they relate to the TRIO goal of assisting first-generation students from low or middle income families and students with disabilities to graduate from college) that you have overcome in meeting your goals. Persuade the committee that you deserve this scholarship!

When: Essays should be submitted to Kelley Gilmour, Director, Academic Support Center by **Thursday, February 14 at 4:00 pm**. Recipients will be notified in April.

Questions? E-mail or call Kelley at 468-1321 or kelley.gilmour@castleton.edu.

Don't Miss Out – Apply Today!
